years of age he has served 26 years

A Challenge

To prove the unquestioned superiority of
the Pathe, we propose a

PUBLIC DEMONSTRATION

and tone test, to take place in
HOWLAND HALL
the date to be mutually agreed upon.

We invite every dealer and manufacturer
of phonographs to place on the stage his best
and highest priced instrument. Each dealer
or manufacturer to demonstrate instrument,
using any records he chooses.

We will then play the same identical rec-
ords on a Pathe, affording thereby a direct
comparison for the audience to judge.

It is needless for us to go ahead and
describe this wonderful phonograph, as the
campaign now being conducted by us fully ex-
plains its wonderful merits.

Space in this paper will be reserved and
paid for by us for the acceptance of this chal-
lenge on the part of any and all dealers or
manufacturers.

"Better than the ordinary phonograph."
We will prove this to you.
